

### JK Paper Mills takes up COVID sensitisation drive

POST NEWS NETWORK

**Raysguda, April 26.** In order to ensure safety of the community during the COVID-19 pandemic, JK Paper Mills has taken up several sensitisation programs in the peripheral areas of its plant here.

The company's CSR team has displayed banners in the strategic locations of nearby villages and has been distributing pamphlets among people to create awareness on COVID-19.

JKPM has sanitised the roads of the nearby villages, while its CSR team has distributed sanitary kits among people of 13 villages

A Quick Response Team (QRT) has been constituted at the plant level comprising of Office & Colony Administration, Medical Officer, Welfare, Security, Industrial Relations, Public Relation & CSR for regular monitoring of the situation in consultation with the district administration.

JKPM has sanitised the roads of the nearby villages. The CSR team distributed sanitary kits among people of 13 villages.

Vijay Patil, Executive Vice President (Works), JK Paper Mills, urged all to take necessary preventive measures to overcome the COVID-19 situation.
